The November 2024 Election is of critical importance to you and your family.
Let this be the year you Vote Smarter!

It is impossible to not notice the enormous increase in prices since 2021. Groceries, gasoline, and energy bills grab a much larger portion of my household income. We need elected leaders that have the business experience needed to reduce out of control inflation, leaders like Trump, Vance and Moreno. Please consider voting with me on November 5th. Thank you.

The November 2024 Election is of critical importance to you and your family.
Let this be the year you Vote Smarter!

Cincinnati and Hamilton County are increasingly dangerous places to live. The Democrat takeover and their liberal judges have refused to protect the community. We need solid leadership to enforce the laws and punish criminals. Join me in voting for candidates that are qualified to restore Public Safety! Thank you.
