

ELECTION INTEGRITY

Greetings Friend,

Please join the RNC's Election Integrity Director Logan Peterson at **7:00 pm** on **Wednesday, July 24th**, at 239 Anderson Ferry Road, Cincinnati, OH, 45238 to learn about how **YOU** can help Election Integrity by **Poll Observing** this November!

Logan's presentation will explain some of the current issues facing Election Integrity efforts in Ohio along with what the RNC and ORP are doing to help combat them. It will also serve as an official training for those interested in **poll observing** in the state of Ohio! Any attendees at this event will have everything they need to be officially credentialed as an observer if they would like to be.

I hope to see you that Wednesday!

Logan Peterson

Ohio State Director of Election Integrity
